Mr. Aaron Bosch  
Barber-Nichols, Inc.  
6325 West 55<sup>th</sup> Avenue  
Arvada, CO 80002

Dear Mr. Bosch:

In recognition of your exemplary commitment to employee safety and health, I would like to present you with a Certificate of Recognition under the OSHA Safety and Health Achievement Recognition Program (SHARP) for Barber-Nichols, Inc. You have successfully participated in a comprehensive safety and health onsite consultation survey conducted on February 14, 2018, by the Consultation Program at Colorado State University. In addition, you have demonstrated your commitment to employee safety and health by maintaining an effective safety and health management system, and maintaining your injury and illness rates below the national average in your industry. Due to your efforts, the Colorado Consultation Program has proudly nominated your company for this SHARP recognition a second time.

Barber-Nichols, Inc. will be deferred from OSHA programmed inspections from March 14, 2018 – March 13, 2021, for the worksite located at 6325 West 55<sup>th</sup> Ave., Arvada, Colorado.

As part of the SHARP requirements, you are to provide the Consultation Program at Colorado State University an interim self-evaluation indicating the progress you have made on your achievement plan and your latest injury and illness data. This report is due a year from the date you received your SHARP exemption. Upon your interest to renew your SHARP status, the improvements you have achieved after entering SHARP will be considered along with the other criteria that are required to maintain this cooperative program.

It is a pleasure to approve your participation in our SHARP recognition program. If you have any questions, please call Pamela Baptiste of my staff at (720) 264-6556, or you can call the Colorado Consultation Program at (970) 491-6151. Congratulations!

Sincerely,

A handwritten signature in black ink, appearing to read "Rita M. Lucero".

Rita M. Lucero  
Acting Regional Administrator, VIII
